Objective

With proficiency in HTML, CSS, and JavaScript, a basic understanding of React, and strong graphic design skills using Adobe Illustrator and Canva, I have an extensive grasp of design principles. I'm seeking a front-end web development internship where I can utilize my skill set and further enhance my proficiency in React.

Project

Rojgar Sathi web application (Group Project) JULY 2023

- Developed the frontend and assisted in backend for a student-focused internships and job opportunities web application,
- Collaborated with teammates to ensure efficient project management using Git and GitHub,
- Learned to implement CRUD operations using Node.js and MongoDB. Acquired experience in establishing efficient database connections and implementing secure authentication for a web application.

Training and Workshops

Women Leadership in Information Technology Fellowship, Butwal

9-month program (July 2023 - April 2024) that included a nine-day boot camp, an internship, mentorship, monthly meetups, and a one-hour code session for school-level students to demonstrate that coding is a basic knowledge anyone can learn.

- Awarded with a scholarship to participate in the program after successfully competing in a challenging selection process.
- Attended nine days boot camp covering JavaScript, NodeJS, MongoDB, Leadership, Design Thinking, Impactful, Problem-solving sessions,
- Problem identification, ideation, and implementation of Project,
- Participated in Hackathon and collaborated with teammates to ensure efficient project management through GitHub.

15 days Bootcamp on Graphics Designing (17th April - 3rd May 2022)

- organized by CSIT association of Nepal Rupandehi
- Post-bootcamp, transitioned into the role of a Digital Content Creator at AIESEC Nepal.

2-day workshop on WordPress (1st and 2nd June 2021)

- organized by Nepathya Students Council

Education

Nepathya College, Tribhuvan University
Bachelor of Science in Computer Science and Information Technology
2077-2081

Plus Two Science | Kathmandu Institute of Science and Technology
2075-2077

Volunteer Work

AIESEC Nepal

Local Committee Vice President Marketing,
AIESEC in Lumbini
2022 - 2023

- Led the marketing efforts for AIESEC in Lumbini, overseeing the promotion of various events and initiatives,
- Delegated tasks and responsibilities to a team of five, ensuring efficient teamwork.
